

Serial No.: 10/664,839

IN THE UNITED STATES PATENT AND
TRADEMARK OFFICEPATENT

Applicant(s):	Tim Clarot, et al.	Docket No.:	33205.1900
Serial No.:	10/664,839	Group Art Unit:	1615
Date Filed:	September 16, 2003	Examiner:	TBA
Title:	SYSTEM FOR DELIVERING A COMPOSITION TO THE NASAL MEMBRANE AND METHOD OF USING SAME		
		Confirmation No.:	4908

STATEMENT OF FACTS PURSUANT TO 37 C.F.R. §1.47(a)

I, Kelley A. Rasmussen of Matrixx Initiatives, Inc., and a person who has firsthand knowledge of the facts recited herein, have made numerous attempts to reach joint inventor Dr. Charles Hensley, as set forth below.

On November 14, 2003, I sent an application, along with a Declaration for Patent Application and instructions for executing the same, to Dr. Hensley's office address at 200 Ocean Gate, Suite 1560, Long Beach, CA 90802. Copies of the overnight courier airbill along with the tracking details showing non-delivery are attached hereto as Exhibit A.

On November 14, 2003, I sent a second package enclosing the application, along with a Declaration for Patent Application and instructions for executing the same, to Dr. Hensley's home address at 312 N. Catalina Ave, Unit A, Redondo, CA 90277. Copies of the overnight courier airbill along with the tracking details showing delivery of the package are attached hereto as Exhibit B.

On or about November 18, 2003, overnight courier confirmation was received indicating that the application and Declaration were received and accepted at Dr. Hensley's home. See Exhibit B.

On or about November 24, 2003, I placed a telephone call to and left a voicemail message at Dr. Hensley's residence to confirm Dr. Hensley's receipt of the application and Declaration.

On or about December 11, 2003, and after numerous telephone call attempts to reach Dr. Hensley, I left a second voicemail message at a new number, (562) 983-0020, regarding the need for Dr. Hensley to execute the Declaration and return it for filing in this application.

On or about December 11, 2003, I sent a third package enclosing the application, along with a Declaration for Patent Application and instructions for executing the same, to Dr. Hensley's office address at 300 Oceangate Blvd., Suite 910, Long Beach, CA 90802. Copies of the overnight courier airbill along with the tracking details showing delivery of the package are attached hereto as Exhibit C.

On or about December 11, 2003, I attempted to contact Dr. Hensley via e-mail at info@prbpharmaceuticals.com. Copies of the email communication along with its undeliverable message are also enclosed as Exhibit D.

On or about December 12, 2003, overnight courier confirmation was received indicating that the application and Declaration were received and accepted at Dr. Hensley's office by his assistant Cathy Valesco. See Exhibit C.

On or about January 8, 2004, I sent a fourth package enclosing the application, along with a Declaration for Patent Application and instructions for executing the same, to Dr. Hensley's home address at 312 N. Catalina Ave, Unit A, Redondo, CA 90277. Copies of the overnight courier airbill along with the tracking details showing delivery of the package are attached hereto as Exhibit E.

On or about January 9, 2004, overnight courier confirmation was received indicating that the application and Declaration were received and accepted at Dr. Hensley's home. See Exhibit E.

On or about January 19, 2004, I again attempted to contact Dr. Hensley via telephone and left a voicemail message.

Serial No.: 10/664,839

On or about January 19, 2004, I sent a fifth package enclosing the application, along with a Declaration for Patent Application and instructions for executing the same, to Dr. Hensley's office address at 200 Ocean Gate, Suite 1560, Long Beach, CA 90802. A copy of the overnight courier airbill along with the tracking details showing delivery of the package to the Redondo Beach, CA address are attached hereto as Exhibit F.

On or about January 20, 2004, overnight courier confirmation was received indicating that the application and declaration were received and accepted at Dr. Hensley's home. See Exhibit F.

Despite diligent efforts to contact Dr. Hensley via overnight courier, e-mail, and telephone, I have been unable to obtain any response from Dr. Hensley.

All above statements are true and correct and I confirm that all available steps to locate the whereabouts of the joint inventor, Charles Hensley, have been undertaken. Nonetheless, the nonsigning inventor could not be found or reached.

Respectfully submitted,

Date: 5-5-04

By: Kelley A. Rasmussen
